The Associate of Arts in French (AA in French) provides students with a solid foundation of the French language and of the diverse cultures of the French-speaking world. The courses introduce students to the basics of language so that they gain confidence in reading, writing, and conversing in the French language. Courses present students a variety of texts in different formats and genres to reveal the rich history, customs, and cultures of the French-speaking world. The Associate of Arts in French provides students with the necessary coursework to transfer to a four-year university where students will have the opportunity to complete
